No more Stomp Offs released on LP, although many of the LPs here were later rereleased or simultaneously released on LP & CD (& sometimes cassette). I have every last LP release except, for some reason, 1206. All my Stomp Off LPs are in pristine condition; several are in original plastic wrap and ever opened. For complete list of all Stomp Off recordings and the formats they were released in see the "Complete List" entry at <https://stompoff.dickbaker.org>.
